

# Embrace the AI-powered future of work

Work with Intech Systems to elevate productivity and creativity with Copilot for Microsoft 365

The pace of work is outpacing our ability to keep up

Source: [2023 Work Trend Index Annual Report: Will AI Fix Work?](#) | Microsoft, May 2023

## Generative AI represents an enormous opportunity

### Reduce busywork

Radically rethink your workday. Delegate tasks to AI and protect focus time for the creative work that leads to innovation. Produce high-quality work in half the time.

### End information overload

Quit mentally absorbing unnecessary information. Get answers instantly, identify only the important information, and restructure your day for success.

### Work smarter, not harder

Quit spending so much time in your inbox. And make meetings more efficient with AI-powered intelligent meeting recaps, transcripts, and recordings.

## Introducing Copilot for Microsoft 365: A whole new way to work

# Copilot

Copilot for Microsoft 365 will help lighten the load

Built on Microsoft's comprehensive approach

Embedded across Microsoft 365 apps

Turn words into a powerful productivity tool

Natural Language

Large Language Models      Microsoft Graph - Your Data      Microsoft 365 Apps

## Embed AI-powered Copilot into the apps you use every day

### Amplify creativity

Be more creative in Word, bring ideas to life in PowerPoint, analyze trends in Excel, lighten the load in Outlook, summarize conversations in Teams, and more.

### Unlock productivity

Unlock data and knowledge across your organization. Combine Large Language Models with your data and turn your words into the most powerful productivity tool on the planet.

### Trust in responsible AI

Count on Microsoft's comprehensive approach to security, compliance, privacy, identity, and responsible AI. Configure access and governance policies to keep data protected.

## Accelerate innovation with Copilot for Microsoft 365 today!

As a Microsoft Partner, we can ...

- Assess**
